

TOWN OF BIGGAR SASKATCHEWAN

SEWER CLEANING- PRIVATE PLUGGED CONNECTIONS POLICY

1. Upon receiving a call from a homeowner advising their sewer is backing up, the Town shall check the sanitary sewer main to assure that it is clear. If the main is plugged, the Town shall clean same.
2. If the sewer main is clear, the homeowner shall be advised to contact a plumber to clean or camera their private connection.
3. If the plumber or homeowner is unable to clean the private sewer connection, the homeowner may either hire a contractor or hire the Town to clean it.
4. If the homeowner decides to hire the Town, the Town will provide two employees to conduct the cleaning. The homeowner will be charged:
 - \$120.00 per hour during regular business hours
 - \$240.00 per hour outside of regular business hours
5. If it is found that the sewer requires repair, the Town's policy on installation of water service pipes and sewers shall take effect.

POLICY EFFECTIVE APRIL 12, 2022
